A vibrant, cartoon-style illustration of a garden scene. In the center, a brown squirrel with a large, bushy tail sits on a dark brown log. To its left, a small yellow and blue bird perches on the log. To the right of the log, a large orange and black butterfly is shown in flight. Above the log, a small yellow and black striped bee flies. The background is white, and the foreground is a patch of green grass with several pink and purple flowers. A large, stylized letter 'C' is visible in the top right corner.
