An illustration of three children playing joyfully. On the left, a girl with brown hair in pigtails, wearing a purple crown, a yellow shirt, and a purple tutu, has her arms raised. In the center, a girl with long black hair, wearing a red shirt with white floral patterns and blue pants, is also playing. On the right, a boy with blonde hair, wearing a teal shirt and orange pants, is reaching out. They are surrounded by several balloons: a red one at the top left, a pink one on the left, a large blue heart-shaped one at the top center, a green one at the bottom center, and a yellow one at the bottom right. A long, wavy red balloon is at the top right. Black musical notes and small colored dots (red, yellow, orange) are scattered throughout the scene, suggesting a festive and musical atmosphere. The entire scene is framed by a thin red line.
